RE: Utility Patent Application for Cell Line and Method of Making and Using  
Same; Inventor: Charleata A. Carter; Attorney Docket No. 8263.03  
Serial No. 09/819,193, Filing Date 28 March 2001

Dear Dr. Canella:

Pursuant to your telephone message in reply to my 11 June 2003 telefax containing just the signature pages from my client's 22 July 2003 Response to Office Action, accompanying this letter is the entire Response to Office Action. It is my understanding that this re-submission fully satisfies all requirements of your most recent written communication (mailed 6/3/03). Since that communication gives one month to supply the omission or correction to avoid abandonment, please advise before July 1 if any other submission is necessary.

It would also be greatly appreciated if you would acknowledge receipt of this submission by return telefax to 501-374-1700 or e-mail to [joecalhoun@aristotle.net](mailto:joecalhoun@aristotle.net).

Thank you for your assistance in this matter.

Very truly yours,

  
Joe D. Calhoun
